#### **About The Program**

Job shadowing is an academically motivating activity designed to give kids the unique opportunity of an up-close look at the world of work and provide the answer to the commonly asked question, “Why do I have to learn this?” Beginning with a nationwide kickoff on Friday, February 2, 2007, and continuing throughout the school year, students across America will “shadow” workplace mentors as they go through a normal day on the job. The program invites students to see firsthand how the skills learned in school relate to the workplace. Job Shadowing is led by the National Job Shadow Coalition and is supported through a national sponsorship by ING and Nelnet.
